

IMPORTANT UPDATE

DENSO WAVE AUTO-ID Products In Australia & New Zealand

DENSO WAVE (AIDC Division of Denso) Australia has announced it will be discontinuing sales of its AUTO-ID products in the Australian market. The DENSO WAVE team sincerely thanks you for your support over the years.

DENSO WAVE has provided Unique Micro Design (UMD) with a unique opportunity to place a FINAL EQUIPMENT ORDER directly with them for AIDC products. UMD is currently accepting orders for Denso AIDC products from the Australian and New Zealand marketplace.

For product pricing and availability, please contact the UMD sales team on +61 (03) 9582 7000.

1. For account customers, final equipment orders will be accepted for processing up to midday on the 13 October 2025. Orders received after this time, will *NOT* be processed. Standard T&C's apply.
2. For non-account customers, last order/s must be accompanied by cleared funds no later than close of business on the 11 October 2025. Orders received after the deadline, or without accompanying cleared funds, will *NOT* be processed. Sales remain subject to UMD's standard T&C's.

DENSO WAVE has confirmed that warranty and repair services will remain operational. We will provide further updates as more information regarding ongoing support becomes available.

If you have any questions or concerns, please contact our team for assistance.

DENSO STOCK CLEARANCE

Clearance on a range of DENSO scanners, mobile computers, RFID readers and accessories. This is a great opportunity to secure DENSO products before they are no longer locally available.

Contact us for the product list before stock runs out!
